### Description

A few minutes from the city of Palma and on the outskirts of Esporles, we find peace in the middle of nature. Spectacular views of the surrounding countryside, surrounded by hills and fields of the Sierra de Tramuntana. The last 500 m before reaching the house are along a country road, which gives it a special charm.

Built in the 80's with high ceilings and exposed beams, fireplace, large porches and a south facing swimming pool, make this house an oasis in the Pearl of the Mediterranean.

On the same plot, we have a stable of about 25 m2.  
It has a licence for holiday rentals and a certificate of habitability.
